

## Holiday Homework, 2023-24

### Class I

Dear students and parents,

It's summertime when faces light up with a grin

As holidays are about to begin

It's time for the children to play and enjoy

Free, unbound, high - spirited but safe at home.

Summer break is a vacation time students eagerly await for. So, now is the time to unlock the days creatively making the most while at home. So, adopt a herb, a house plant or a flower, bake a cake, sing - along, paint and draw and compose your own song or take up your hobby as the school announces summer vacation.

To ensure that the children have a constructive holiday, some holidays' homework & projects have been given which will keep the child active and observant. These projects can easily be done by the children and you can assist only when required. In case of any queries, you may contact the teacher concerned as it shall be a part of the internal assessment.

Stay safe, stay healthy!

Principal

## General instructions:

1. Practice writing daily to improve your writing skills.
2. Encourage your child to speak in English.

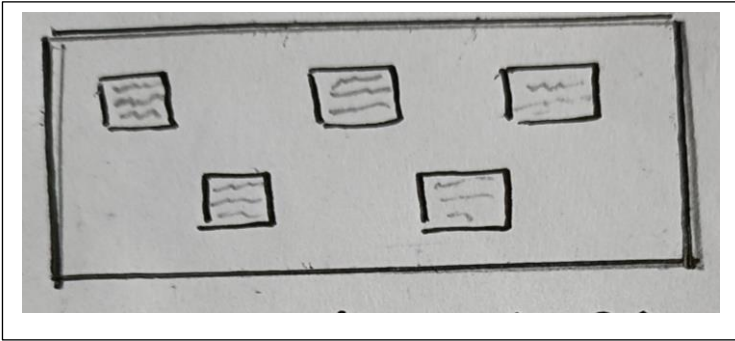

## ENGLISH

- Prepare an English Pocket Dictionary with the minimum of 2 new words for each alphabet (with their meanings and also paste a picture). The dictionary must have an interesting cover design and a bookmark with a moral value quote.
- Make a mask of your favourite cartoon character.
- Visit any zoo and write three sentences on any 10 animals which you see and also paste picture of the animal. (Do this work neatly in your English Language notebook)

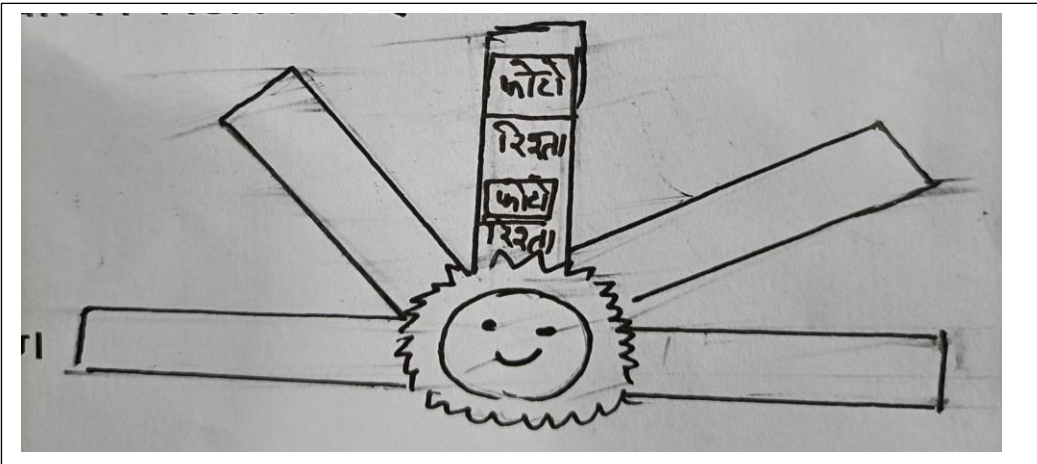

## HINDI

सारा कार्य हिंदी की कॉपी में लिखिए।

- एक होनहार छात्र / छात्रा की पाँच अच्छी आदतें एक रंगीन पेपर पर लिखे व उसका कट -आउट हिंदी की कॉपी में चिपकाएँ।

- एक सूरज का चित्र बनाकर उस पर अपने परिवार की फोटो चिपकाएँ व उसके नीचे अपना रिश्ता लिखिए।

- कक्षा पुस्तिका में किया गया सारा कार्य याद कीजिये।

## MATHS

Do all the work in your maths notebook.

- Solve and complete the puzzle. Also, guess the pattern followed in it.

a) Number of eyes you have -

b) Number of legs a dog has -

c) I am half a dozen -

d) I make four pairs -

e) Number of heads Ravana (in Ramayana) had -

- Join the dots by counting in 3's and colour the picture. (cut and paste this picture in your maths notebook)
